

Vicar

St Bartholomew's, Bath

Growing individuals, Growing the church and Growing our impact for Jesus in the world

We are seeking to appoint a new vicar for St Bart's. This is an exciting appointment based in the heart of the city of Bath. St Bart's is a warm, lively and ambitious conservative evangelical Anglican church, with people of all ages and stages of life, including a significant ministry to students. We are key members of the South West Gospel Partnership.

We are looking for someone who is an energetic leader with significant experience in a growing church. You will need to be a gifted preacher whose teaching is based on expounding the Bible, a compassionate pastor, and a clear and strategic thinker. The new vicar will relish leading the development of a vision for the next chapter of the church's life and be focussed on both spiritual and numerical growth.

The PCC of St Bart's has passed the following motion: 'This PCC requests, on grounds of a range of theological convictions within the congregation and the need to maintain congregational unity, that arrangements be made for it in accordance with the House of Bishops' Declaration on the Ministry of Bishops and Priests.'
